RED AND GREEN 1962

Jamestown High School
Jamestown, New York

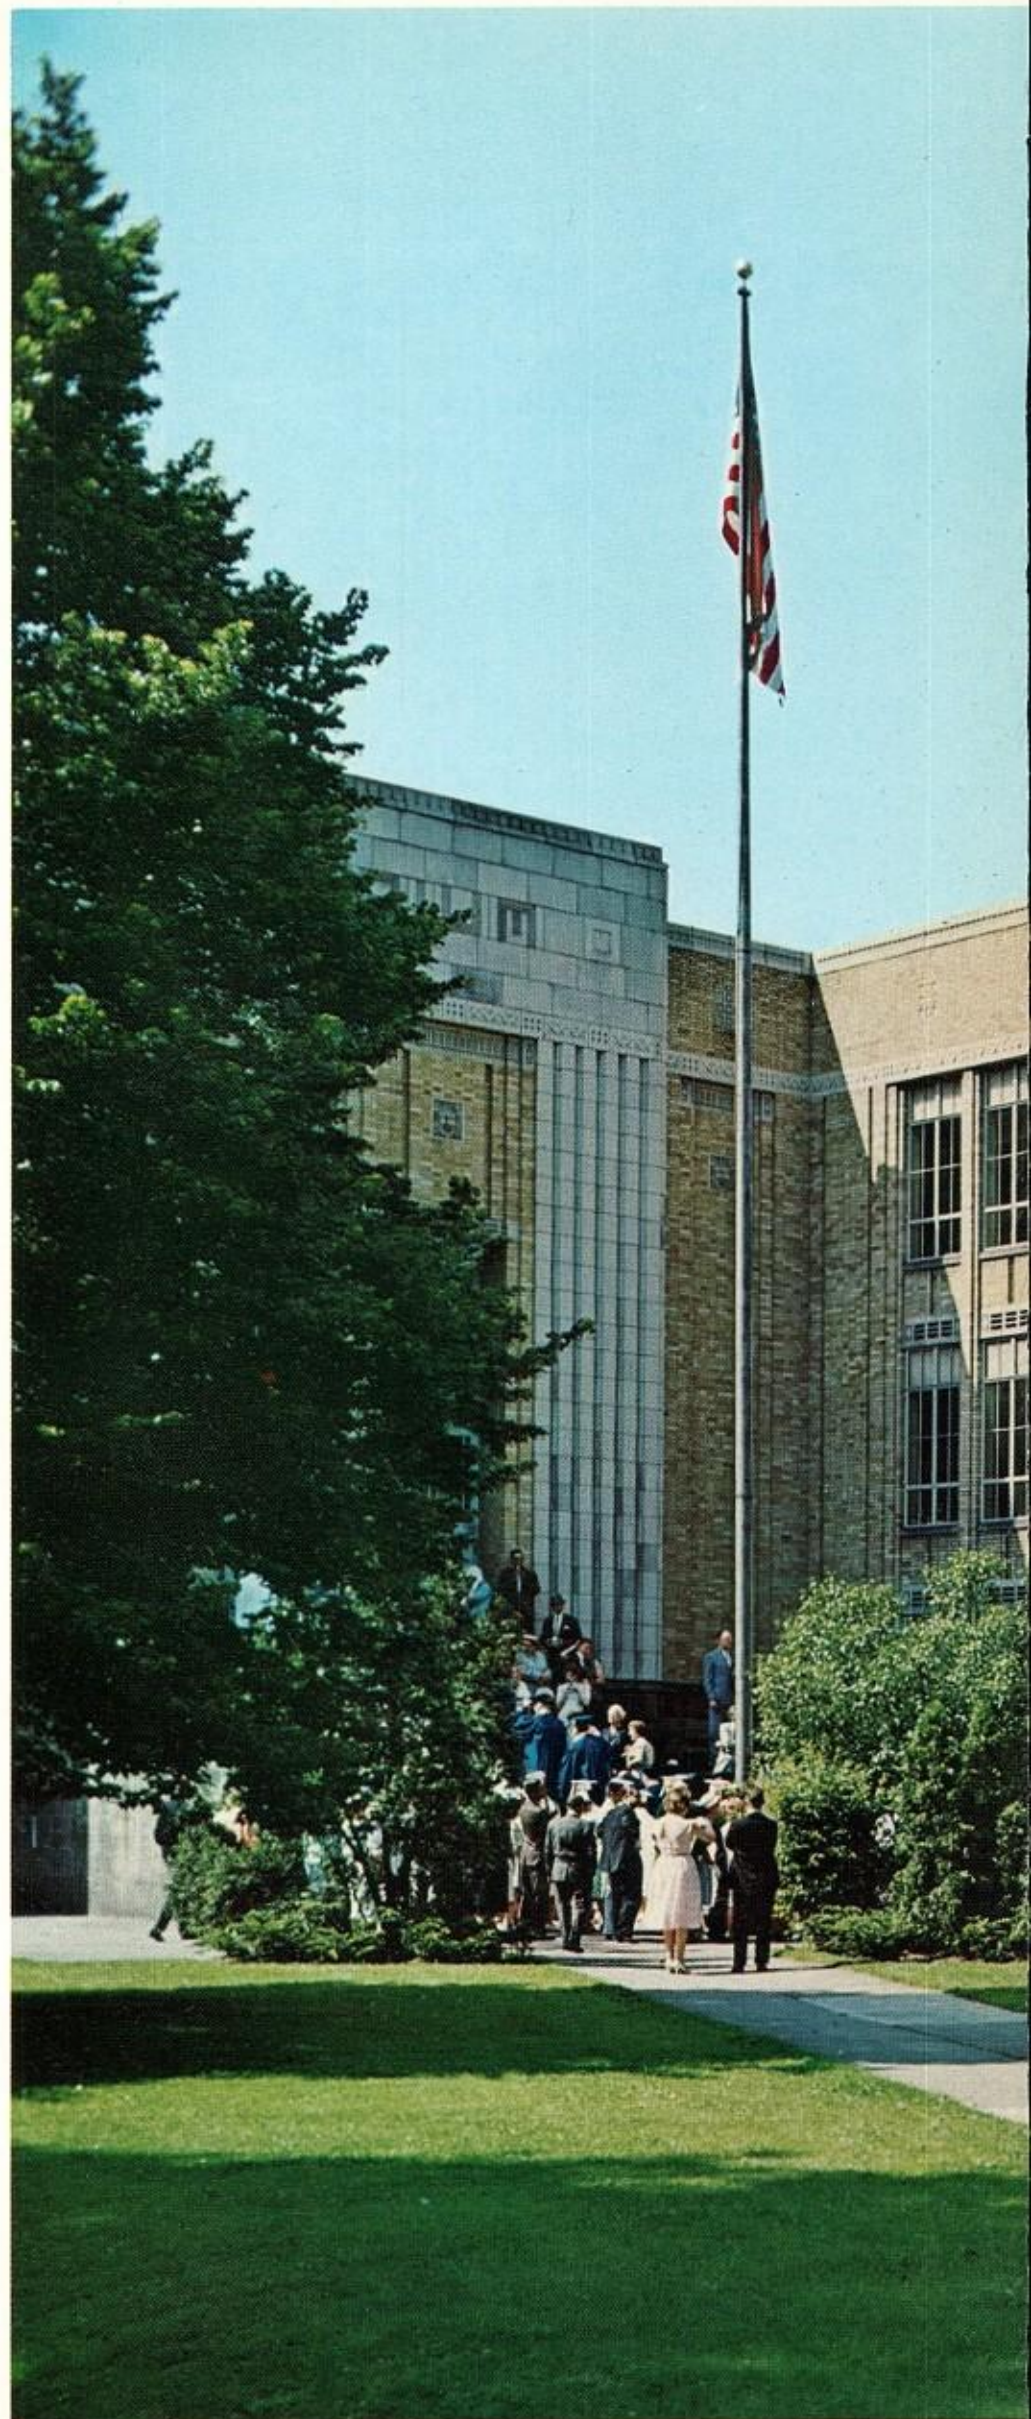

FOREWORD

Our high school days pass more quickly than we realize. These years, during which the molding of our character is begun, are probably the most important in our lives. It is during these years that reasoning and understanding are developed, while the never-ending process of learning goes on.

For the graduating seniors, this is the end and a beginning: the end of our high school days; the beginning of more education or an occupation. Through any new pursuit, we shall remember our high school — its delights and its perplexities.

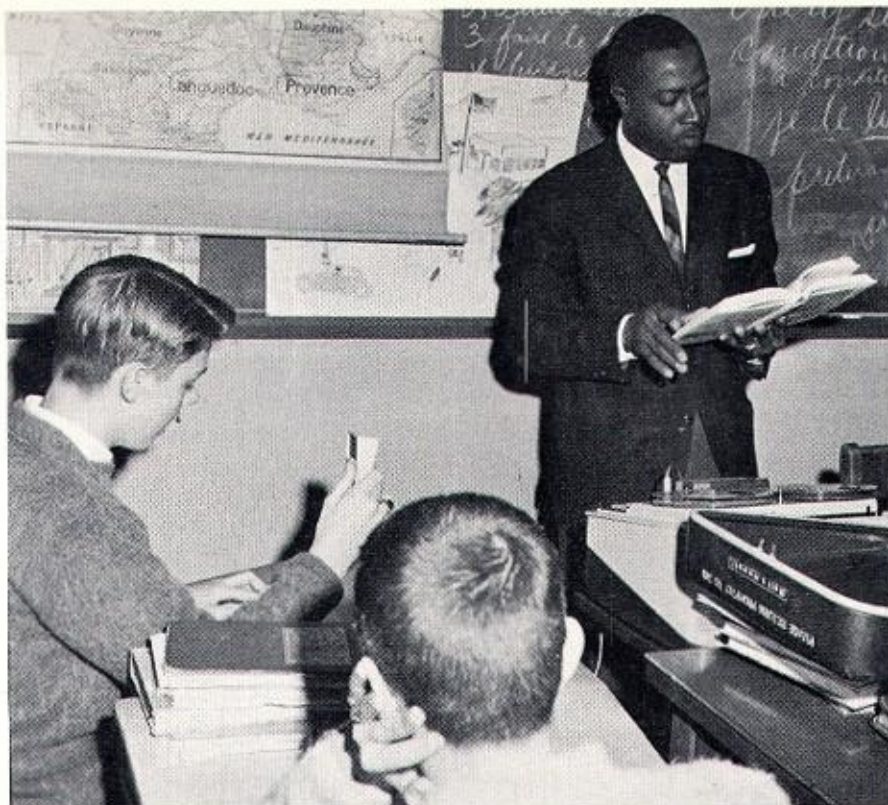

Through the use of the theme "time," we have sought to help you recall some of your high school experiences.

VICKI HULTBERG, *Editor*

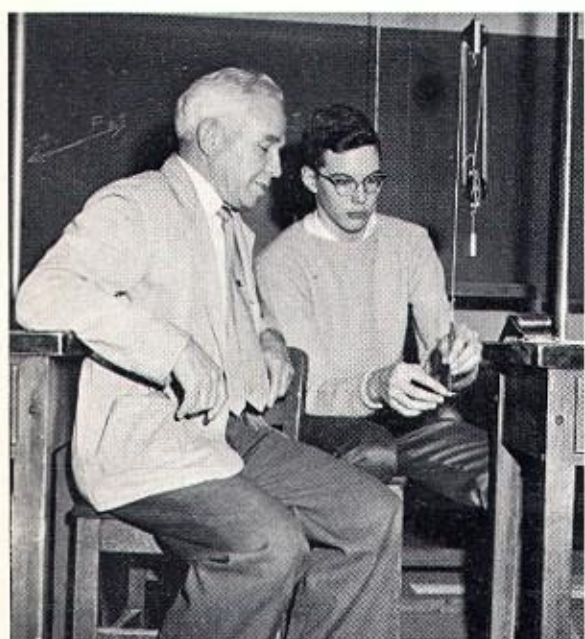

Jamestown High School

One of the major phases of learning a language is to become proficient in conversing. Jeff Milham is taping a portion of his French lesson for Mr. Connor.

Observation and experimentation play an important part in the learning of a science. Joe Bowman calculates the mechanical advantage of a block and tackle with the help of Mr. Ayers.

During the Christmas season, our Swedish Class, which is the only one taught in New York State, held a Christmas party. Mary Ann Ahlgren, as the Lucia Bride, serves Swedish rolls to the class.

Our curriculum is

Writing a term paper is required in English 4. Doing research in our library on a term paper is Roger Lexell.

The driver education classes have the aid of Drivotrainers. Maureen Lynch is following the film while her driving skill is recorded.

a diversified one

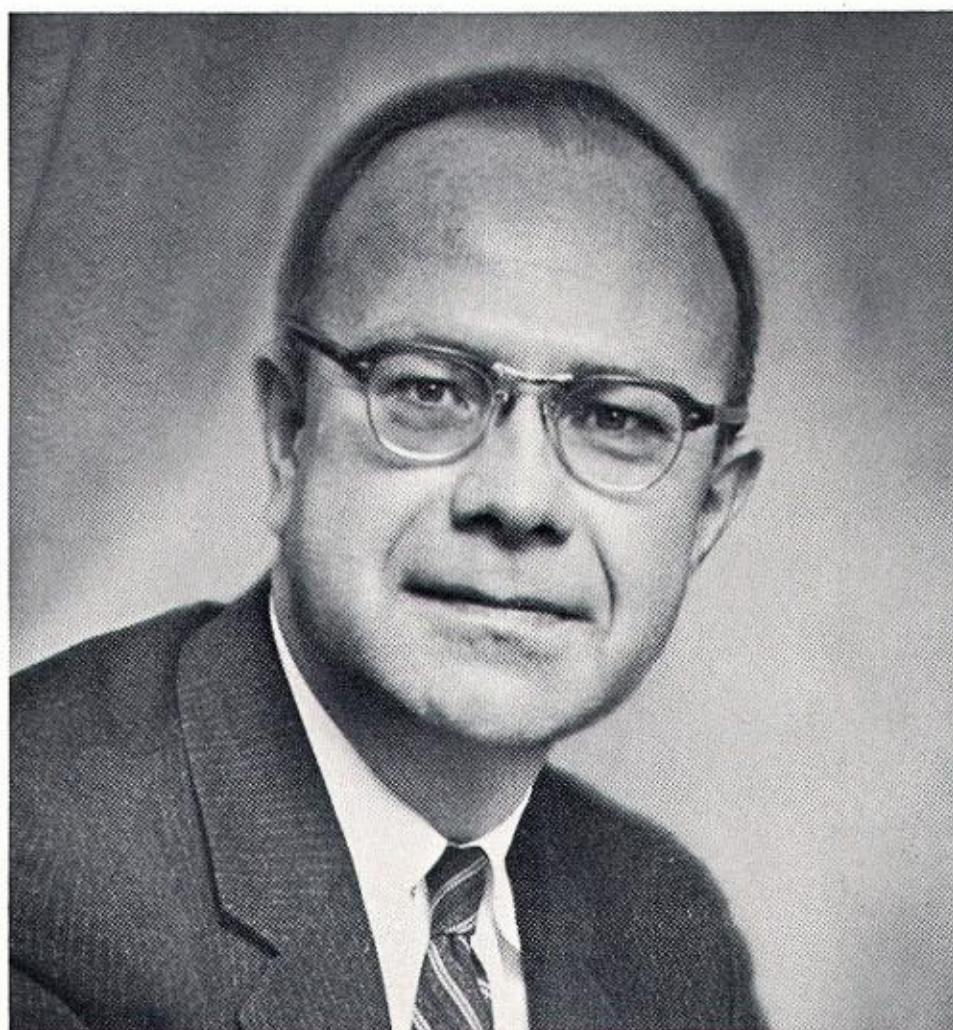

Andy Turkovich and Larry Spencer study Archimedes' principle of water displacement.

Many seniors compete in the Regents Scholarship Exams given this year in October. Jamestown High School had 35 Scholarship winners this year.

In Mr. Letro's American history classes the students take an active part by debating different history topics. Mr. Letro takes notes while Bob Kelley debates.

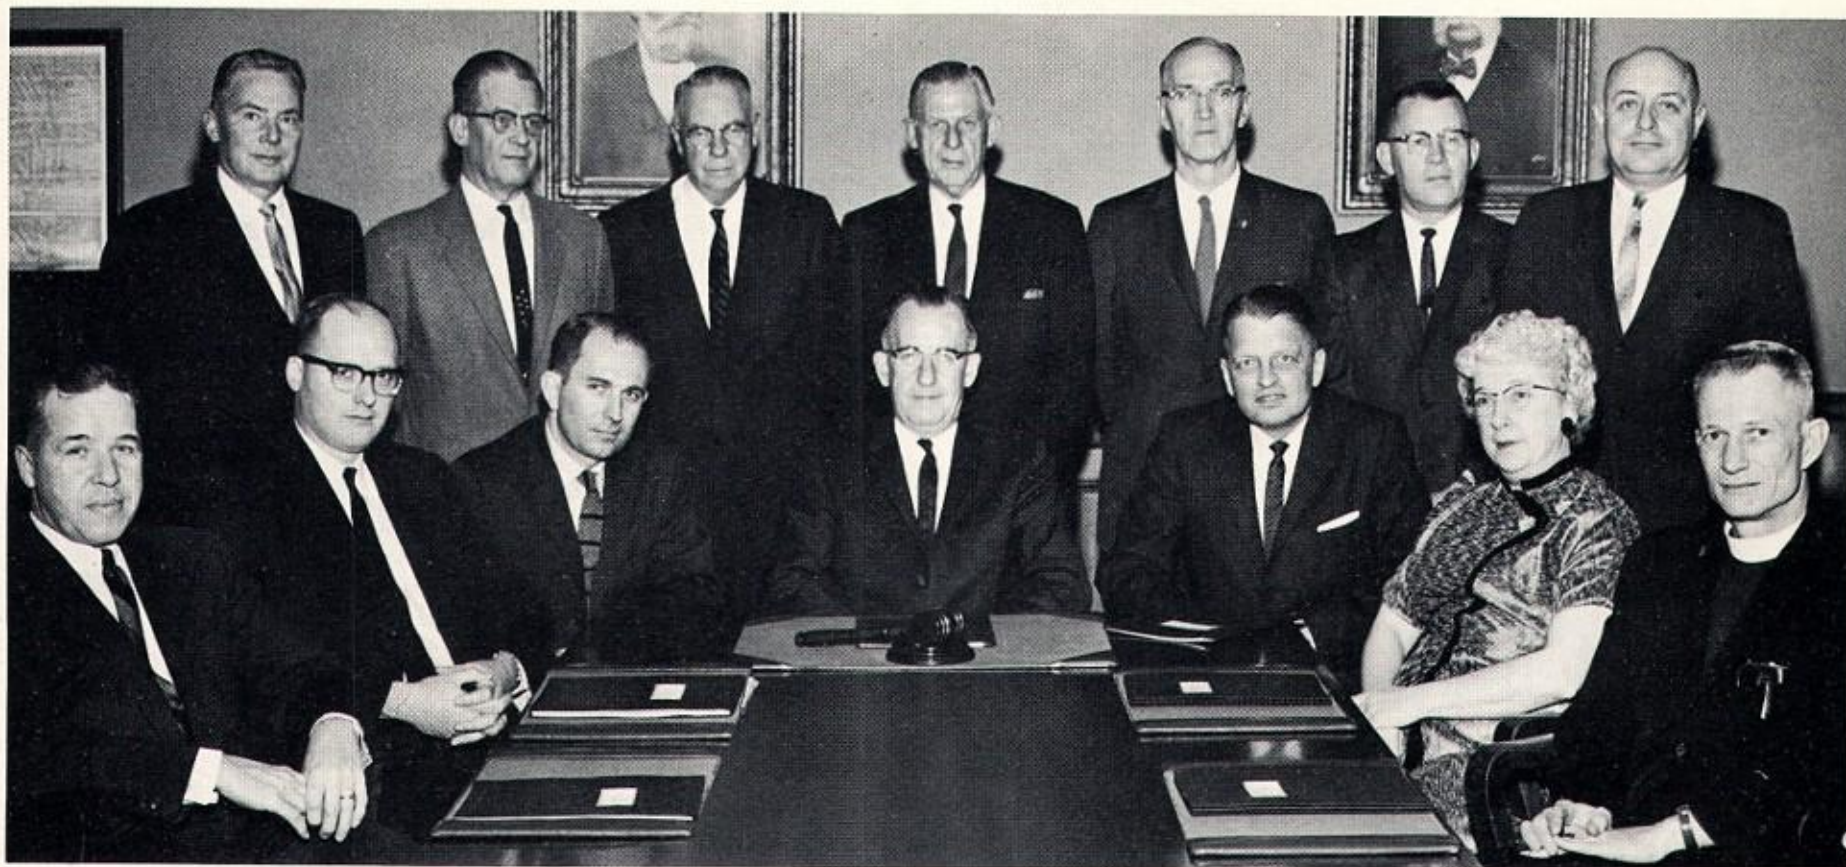

WESLEY G. MILLER

"The true purpose of education is to develop the capacities of every kind with which God has endowed us."

MRS. JAMESON.

On November 29, 1961, students and teachers alike were saddened by the death of our Superintendent, Wesley G. Miller. By his death we lose a wonderful Christian gentleman, a dedicated educator, and a friend interested in bringing good to all who came within his sphere.

BOARD OF EDUCATION

Seated: Dr. Gordon R. Sanctuary, Frederick R. Weedon, Jr., John A. Peterson, *Vice President*, E. Milton Johnson, *President*, Wilford E. Hofgren, Mrs. Seaton B. Hartley, the Reverend George F. O'Pray. *Standing:* Allison J. Galbraith, *Elementary Education*, Rubert L. Long, *Business Administration*, Floyd Filmer, *Industrial, Adult and Extension Education*, Edward C. Price, *Buildings and Grounds*, Bert W. Furman, *Board Secretary and Assistant Superintendent for Business*, Burdell F. Cotten, *Secondary Education*, Robert K. Howe, *Assistant Superintendent of Schools*.

BEST WISHES TO THE CLASS OF '62

You are completing high school at a time when the tempo of change in the world, in our country, and in our daily lives is the most striking and confusing aspect of life. Among the traditions and teachings of J.H.S. you will find many things that are abiding because they touch on eternal needs, answers, and values of mankind. Honor these.

Our schools prepare youth to meet the challenges of our times as best we know. We hope you have taken full advantage of the opportunities offered and will continue to make use of our staff and facilities as they may be of service to you in the future.

ROBERT K. HOWE

Assistant Superintendent

MR. ROBERT K. HOWE, Assistant Superintendent of Schools and MR. BERT W. FURMAN, Secretary of the Board of Education and Assistant Superintendent for Business.

A full measure of devotion..."

MABEL G. JOHNSON

When we think of a dedicated teacher—briefly, one who has an interest in her students, enthusiasm for the job, a thorough preparation in subject matter, ability to impart knowledge, and a sense of humor—we think of Miss Johnson.

For a number of years, Miss Johnson served as our school treasurer, and for the past several years has taught the retailing classes. Salesmanship is always a thrill, she believes, as well as meeting former students who have become successful in the field of business. Having in her classes sons and daughters of former students, also, has been a pleasure.

Her diversified interests, which include her church, the YWCA, travel, gardening, and furniture refinishing are certain to continue taking her time and talents. We wish her every happiness as she leaves J.H.S. with the Class of 1962.

Oh hail to thee, illustrious class of '64!
Thy honor's famed by all who thee adore.
Your inspiration guides us through the coming years
And leads us onward through life's smiles and tears.

Chorus:

It is to thee, oh '64 we sing our praise.
It is for thee, we strive in all we do.
Oh, '64, thy memories in our hearts will stay,
And there they'll brightly gleam for all our whole life through.

Mainly composed by Sandra Gustafson, with the help and approval
of the rest of the committee.

SERIOUS SONG

Tune: All Through the Night

Class of Sixty-three we hail you
Finest we'll be.
Blue for boldness, white for courage;
God is our key.
Other classes weak will falter
Ours will prosper; never alter.
Through the years we'll be remembered—
Our Sixty-three.

White carnations still our symbol
Through all our years.
Symbolizing true class spirit
To each who hears.
God our Leader, we'll fail never;
Love our class we will forever.
Through the years we'll be remembered—
Our Sixty-three.

Lyrics by Betty Lou Faulk

PEP SONG

To the tune of "Dark Town Strutters' Ball"

Give three cheers for — 63,
The best class J.H.S. will see,
We'll show how to pass the test,
We're the best, best, best of all the rest—
We'll work, work, work but have some fun
We'll strive to please and be on the run,
You'll see action from this class,
Action you can't pass.
So give three cheers for good old — 63.

To be shouted at the end of the song:

Chung Keena,
Chung Keena,
Chung, Chung,
Keena, Keena
Nagasaki, Yokahama
Hoy, Toy, Hoy
—63 O' Boy!!

The Victory Dance, held in October, proved an exciting event for these sophomores and juniors who were elected class officers. First row, junior class officers: Sally Mistretta, *Secretary*, Terry Mahoney, *Treasurer*, Russ Giambelluca, *President*, Thomas Johnson, *Vice-President*, and Judy Miller, *Historian*. Second row, sophomore class officers: Sue Gray, *Vice-President*, Bonnie Carlson, *Secretary*, Sandy Gustafson, *President*, and Frank Vassallo, *Treasurer*.

Some of the junior and sophomore homerooms raise money by holding bake sales. Rick Hernan advertises for his homeroom, 263, in the front hall.

Sophomores played an important part in bringing food at Thanksgiving for needy families in the area. Sandra Gustafson and Linda Hallett arrange the food brought by their homeroom in decorated baskets.

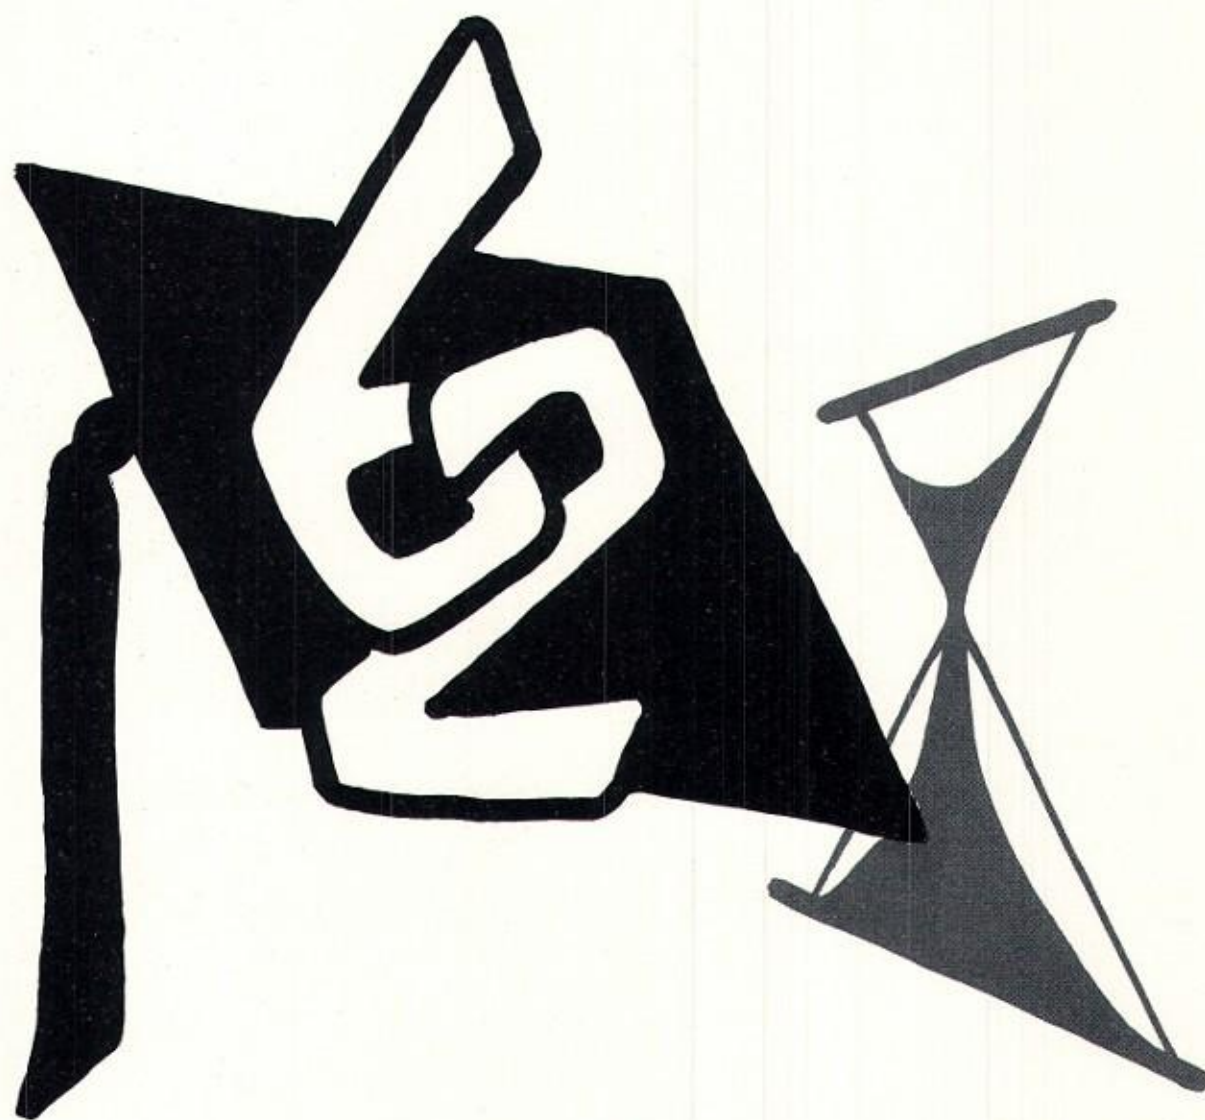

Russ Giambelluca, junior class president, gave a very successful campaign speech in October at his class assembly. Perry Destro, who also campaigned, waits his turn.

Juniors, Connie Ingrao, Jim Pifer, Sheryl Dowd, and Janet Myers, work many hours on the Junior Newspaper, *Classified of '63*.

The sands
of time flow
swiftly away . . .
bringing the
Seniors to
their last
year, to
graduation, and
on to the
future, where
the hours spent
at Jamestown
High School will
long remain
warm, glowing
memories.

Colors: Red and White

SERIOUS SONG

Tune: Auld Lang Syne

Proudly, O class of sixty-two,
We hail thee loud and clear;
Our colors, red and white will stand
Now, and throughout the years.

Though years will pass, and we will go,
Away from J.H.S.
Our memories of our dear old school
Will always be the best.

We'll fight for rights and freedom too,
Forward as one we go
May God bless us as we move on,
Our class of sixty-two.

(Sing stanzas one and two, then sing refrain)

PEP SONG — 1962

Tune: Mr. Touchdown, U.S.A.

Oh, '62, we sing your praises
And cheer your victories loud and long.
Forward as one, we'll strive for right,
Under our colors, the red and the white.
Our school will always find us willing,
Loyal and steadfast and true.
So give a rousing cheer for the Seniors that are here:
We're the class of '62!

Senior Class officers have worked very hard this year on the many important projects which a senior class must have. The Class of '62 gives its thanks to Mike Deitsch, Sue Allenson, Andy Nielson, and John Bennett.

Robert C. Wilson

Students and faculty members of Jamestown High School will miss Mr. Robert C. Wilson but our congratulations and warm wishes go with him as he becomes principal of Washington Junior High School in the fall.

Mr. Wilson has been at J.H.S. since 1929 when he began as an American History teacher. Through the varied experiences of debate coach, dramatics coach, vice principal, founder and adviser of Student Council, and adviser of four classes, his unlimited enthusiasm toward the social growth of students has truly been shown.

Mr. Wilson has gained the respect and admiration of many students who have worked closely with him on various committees.

Mr. Wilson leaves JHS with Class of '62

Vice-Principal, Mr. Wilson, has served faithfully as adviser for the Class of '62 for three years. Our appreciation and thanks go to Mr. Wilson for the many hours he has spent helping our class.

"Censored '62" Keeps Seniors Informed

The final job of putting the newspaper together is always hectic. Sorting and stapling the paper are Barb Bloomquist, Jane Swanson, and Barb Benedict.

Under the editorship of Barbara Bloomquist and the direction of Robert C. Wilson, adviser, twenty-six members of the senior newspaper staff produced several editions of "Censored '62" during the past year. The paper consisted of general information concerning the senior class activities and members of the class.

On December 1, the staff sponsored a dance in the gym. Its theme, "Report Card Rock" or "Failure Fling" was humorously carried out in accordance with the date, the last day of the marking period.

A paper containing a class will and a final farewell to J.H.S. from the Seniors was issued to all three classes at the end of the year.

The Spark of J. H. S.

Bruna enjoys the facilities of the Co-Ed Club in a game of ping pong.

Our foreign exchange student this year has been Brunhild Spiess, known to all as Bruna. She came here under the American Field Service Program from Minden, Germany to learn American ways and inform America of German ways. She was to strengthen the ties between the two countries by an increase in understanding. Certainly Bruna has done this. She has proved to be the best of envoys.

Bruna has made it her business to get acquainted with all types of Americans, people from all walks of life. She has ignored the prejudices of those around her and helped many of us to see how wrong we were in that respect.

Bruna's vivaciousness and boundless ambition have made her a very pleasant companion. She has done much for the morale of the Senior Class. Truly we have seen the best side of Germany. Our best wishes for the future go to Brunhild Spiess whom J.H.S. honors and loves.

For the debate tournament, Bruna gives rapt attention to the speaker in her job as timekeeper.

Four Active Years for Student Council

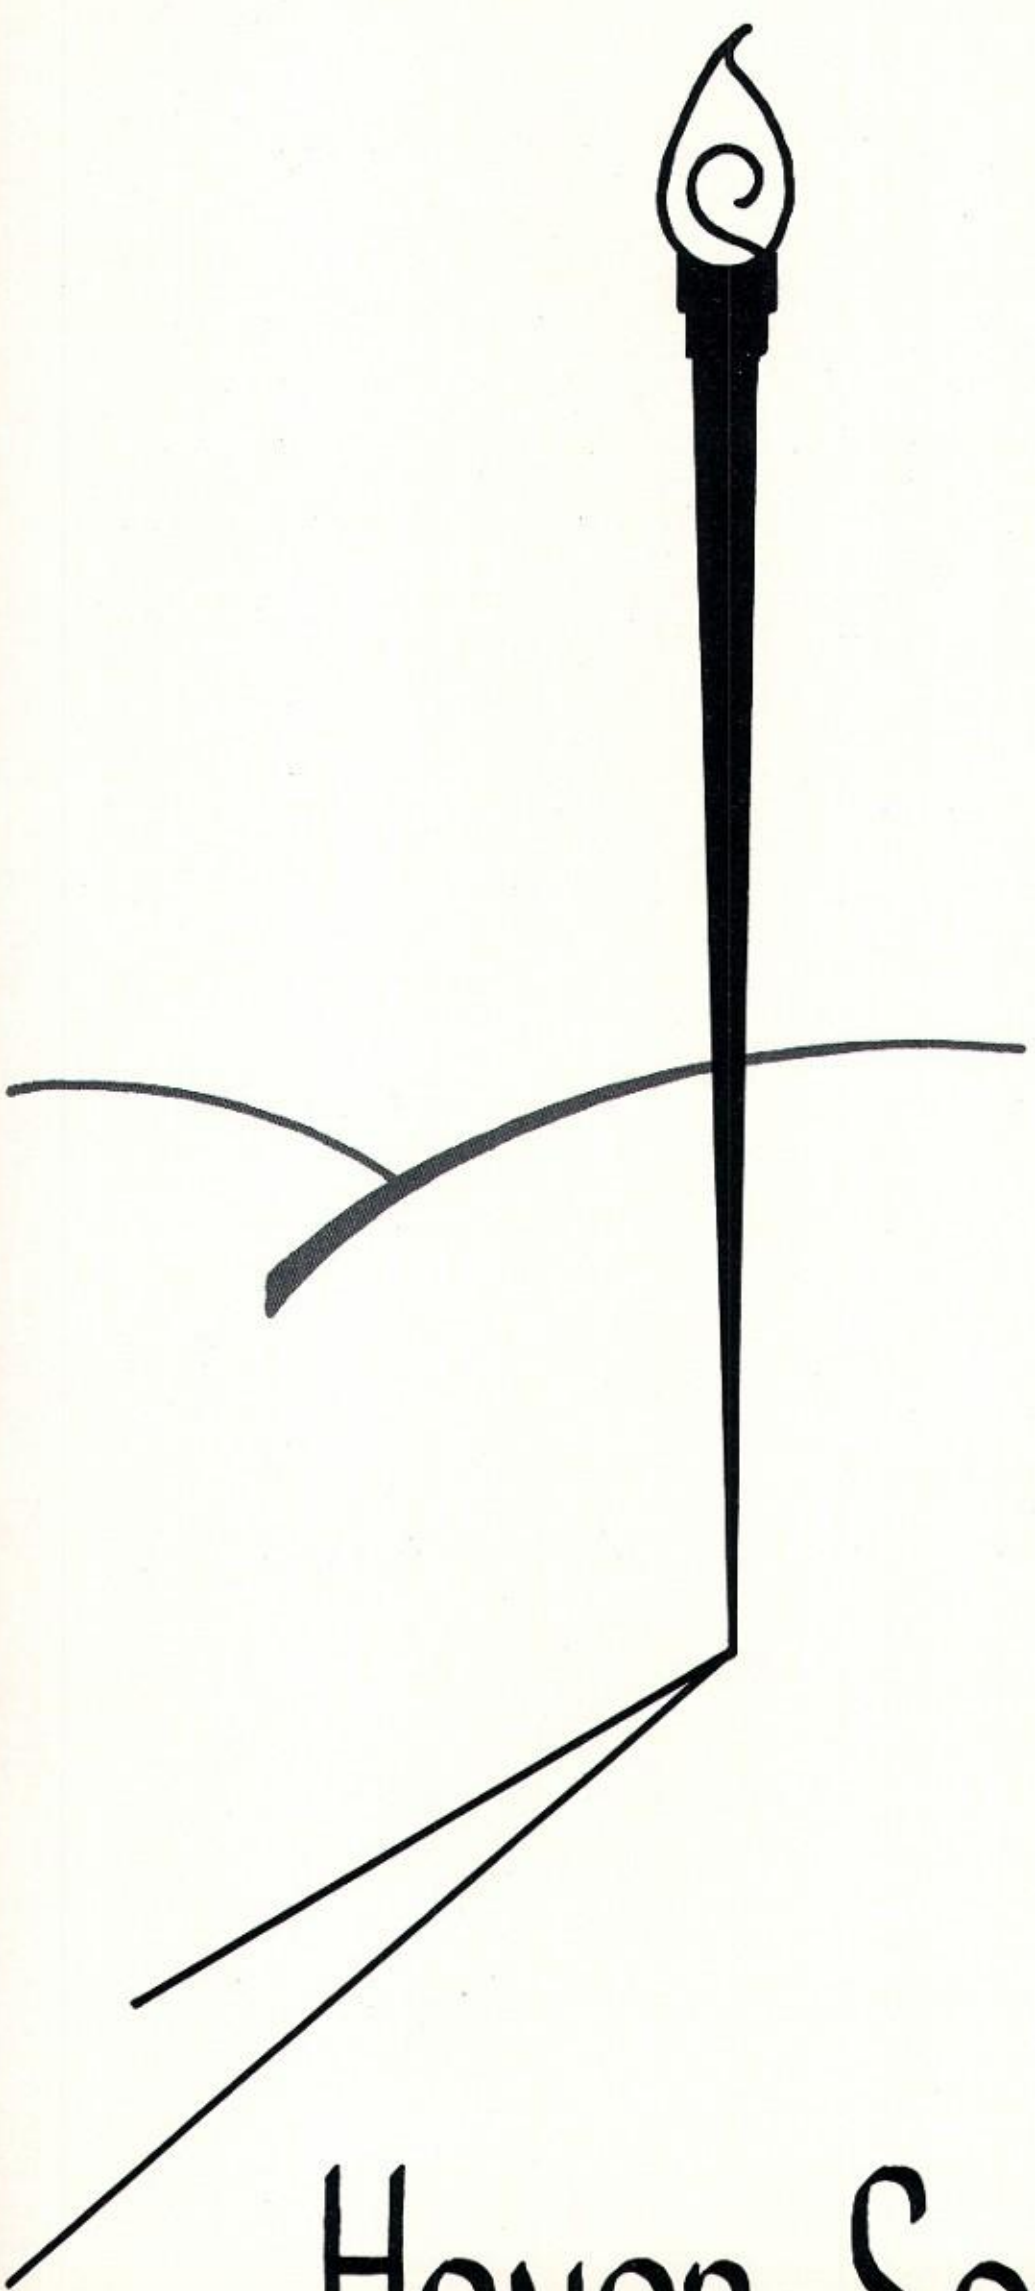

The Student Council has completed another year as the student governing body at JHS. Every Monday in room 315, the 38 representatives met with their adviser, Mr. Robert C. Wilson, to discuss school affairs.

Many activities were slated on the Student Council's calendar of events. In November at the Victory Dance the winners of the class elections were announced. December brought the annual Homecoming Dance. Student Council members played an important part in establishing the CO-Ed Club at the YWCA. Again this year Student Council participated in the Foster Parents Plan by supporting a young Korean boy, Lim Yun Taek. One of the biggest features of the year was the "International Fair" which was held in April. As it has in the last four years, Student Council played an important role in making this year a memorable one for all JHS.

Mr. Wilson gives a report to Student Council of a District 15 meeting.

HONOR SOCIETIES

Honor Society Increases Scholarship Fund

Once again the Honor Society lived up to its motto — "Character, Scholarship, Leadership, and Service." Its money-raising projects have been a service to the entire school and community. The members sold refreshments at basketball games and wrestling matches. Book covers and clear plastic yearbook covers were also sold as in past years. This year for the first time, the Honor Society sold paperbacks in the school library. Our school Christmas tree in the front hall was decorated by the society.

The money raised through the preceding projects is put into a special scholarship fund. From this fund \$100 is given to each of two eligible Seniors who have applied for the scholarship and are approved by the High School Scholarship Committee.

The Honor Society is under the Advisership of Mr. Carl Levin. Officers are elected twice a year. The officers this year were:

First Term

JOHN BENNETT	<i>President</i>
VICKI HULTBERG	<i>Vice-President</i>
SUSAN ALLENSON	<i>Secretary</i>
GAYLORD THAYER	<i>Treasurer</i>

Second Term

ALAN PHELPS
KATHY ANDERSON
DALE JOHNSON
RONALD DONELSON

Members are inducted into the Honor Society twice a year, after being selected for their academic standing and service to the school.

NFL Gives Recognition to Debaters

Members of the National Forensic League are chosen on the basis of scholarship, public service, and the amount of debating each has done. NFL is the Honor Society of Debate.

There are various rankings in NFL. These are: Merit, Honor, Excellence, and Distinction. The degree a member has achieved is based on a point system. Although Distinction is very difficult to attain, it has been achieved by Sally Hardenburg and Louis Bellardo.

Each year the NFL holds Student Congresses, first on a district basis, and later statewide at Albany. This year John DeMarco presided over the district Student Congress and was also a nominee to the National Congress. In these Student Congresses various bills on timely issues are discussed and proposed.

Janet Myers is the recording secretary of the Jamestown Chapter of the National Forensic League for the year 1961-1962. This year's adviser for NFL was Mr. Dwight L. Willson.

Mary Dain listens while Gay Thayer and Mark Cannan discuss their topic in a practice debate.

Neil Anderson achieves an honor for debaters when he is tapped for National Forensic League by Dale Johnson.

Thespians Host Professionals

Dale Johnson reads over the Thespian induction ceremony in a practice with John Bennett and Bruna Spiess.

The highlight of the year for Thespians, an honorary dramatic organization open only to seniors, was the presentation of HEDDA GABLER by the Cleveland Playhouse. Through the cooperation of Thespians, this play was brought to Jamestown on a Ford Foundation grant.

Once again this year, Thespians competed in the Alfred State Technical Drama Festival.

In the summer, Thespians will send a student to Northwestern University to study drama.

Representatives of the Press

Barb Williams, Barb Smith, and Barb Benedict take part in the Quill and Scroll induction in the Home Economics living room, where the ceremony was read and symbolic candles were lighted.

There is at J.H.S. an international honor society, known as *Quill and Scroll*, an honor society for high school journalists. The society is composed of juniors and seniors in the upper third of their class, who, having performed excellently in some phase of journalism or yearbook work, have been recommended by the advisers and approved by the executive secretary. A further qualification for the Journalism Club members is to have produced at least seventy-five inches of published copy. *Quill and Scroll's* motto, "Ye shall know the truth and the truth shall make ye free," is a classic example of the fourth estate.

Although *Quill and Scroll* is relatively inactive, it is still an honor to be inducted. Members are chosen each February, and are received through an impressive candle-lighting ceremony during the annual spring banquet at which time they are also given *Quill and Scroll* pins.

Advisers are Mrs. Evalyn Paulson for *Red and Green*, and Mrs. Marion Young for Journalism Club.

MUSIC

The thrill that sweeps
the stands as the band
marches down the field,
the echoing notes of
the old and beautiful
songs as A Cappella
carols through the
halls, and all the
harmony, dignity,
and beauty of the
musical organizations
at J. H. S. help make
our days here happier
and more meaningful.

Before going into the First Presbyterian Church to sing one of the A Cappella Vesper Services, Mr. Bubé gives the choir the pitch for the Kyrie Christe.

The A Cappella Choir, under the direction of Donald B. Bubé, has again spent a happy and profitable year.

On November 30, 1961 the Choir sang at the Eastern Music Educators' Conference in Buffalo. On the return trip to Jamestown, the group sang at the Silver Creek Central School.

The month of December was a busy and exciting time for A Cappella. The choir sang for the Lions and Rotary Clubs and for assemblies at Lincoln Junior High School and J.H.S. The group finished the month of December with the beautiful and inspiring annual vesper service at the Presbyterian Church.

The last weeks in January marked the traditional A Cappella candy sale. The profits made from this sale financed the choir's trip to Chicago in April. A Cappella sang many concerts during this trip, and included such songs as: "Rock A Ma Soul", "He's Got the Whole World in His Hands", and the beautiful "Alleluia" by Randall Thompson.

On May 9, A Cappella gave a concert at Jefferson Junior High School; and the year was completed with the annual Spring Concert on May 26.

Yes, A Cappella has indeed spent another busy, and memorable year.

A Cappella Carries On Traditions

The A Cappella officers for this year were Ron Donelson, Treasurer; Renny Blanchard, Assistant Treasurer; Andy Turkovich, Robe Master; Phil Dawson, Business Manager; Lenny Faulk, President; Gary Williams, Vice President; Sandy Carlson, Librarian; Marg Holmlund, Historian; Betsy Fancher, Robe Master.

Caroling in the halls of J.H.S. is one of the events to which the students look forward at Christmas time.

The beautiful Christmas program at the First Presbyterian Church begins with the processional of the choir down the candlelighted aisle.

Before a student may become a member of the A Cappella Choir, he must have a try-out with Mr. Bubé. Rick Hernan and Sue Jurkowski go over some music with Mr. Bubé at the piano.

Music, Music, Music

Jamestown High School was well supplied with music talent this past year. Three organizations to which some of this talent belonged were the Mixed Chorus, the Girls' Chorus, and an all-male chorus called "Men of Tomorrow".

The Mixed Chorus was made up of a combination of students from all three classes, most of whom hope to graduate to the A Cappella Choir next year. This group performed

in the Christmas program, the Spring concert and also competed for a rating at festival time. Most of the music which they sang consisted of A Cappella numbers, sung in past years.

The Girls' Chorus was also made up from the three classes. The girls met to sing a variety of music, to increase their music reading ability, and to gain experience. This choir also participated in this year's beautiful Christmas program.

The "Men of Tomorrow" is an addition to our music program this year. Mr. Bubé, the high school's choral director, had long considered having a boys' chorus, and this year made his idea into a reality. The group consisted of approximately eighty fellows who met once a week, to sing grade four songs, the most difficult of which was "Father William". During the year, the group purchased blazers with money saved from the past few years. The Men sang at Lincoln and Jefferson Junior Highs on the spring programs and also competed for a music rating on May 26.

These three choruses also helped during the year with the candy sale, contributing approximately \$500 for the A Cappella trip.

Accompanists for this year for the A Cappella were Ann White, Cheryl Adams and Sue Pfleeger.

Orchestra Has a Busy Year

This year was an active one for the J.H.S. Orchestra, under the leadership of Mr. Russell L. Johnson. The highlight of the year was the Annual Orchestra Night, which was held on April 14. The first movement of Schubert's famous "Unfinished Symphony" was one of the many selections played.

Our Orchestra was well represented in the All-State orchestra by Douglas Johnson, David Gustavson, and Arthur Sisak. Attending the Sectional All-State were Douglas Johnson, Geoffrey Sigworth, Barbara Giltinan, Marie SanFilippo, and David Fray.

Each year the Orchestra performs in assembly programs at junior high schools. This year, assemblies were presented at Washington and Lincoln Junior High Schools.

To raise money for a combined trip to the Fredonia Competition Festival and then on to the Niagara Falls area and Toronto, Canada, the Orchestra

held a pancake supper. The members also ran a snack bar at the solo competition festival here on April 7.

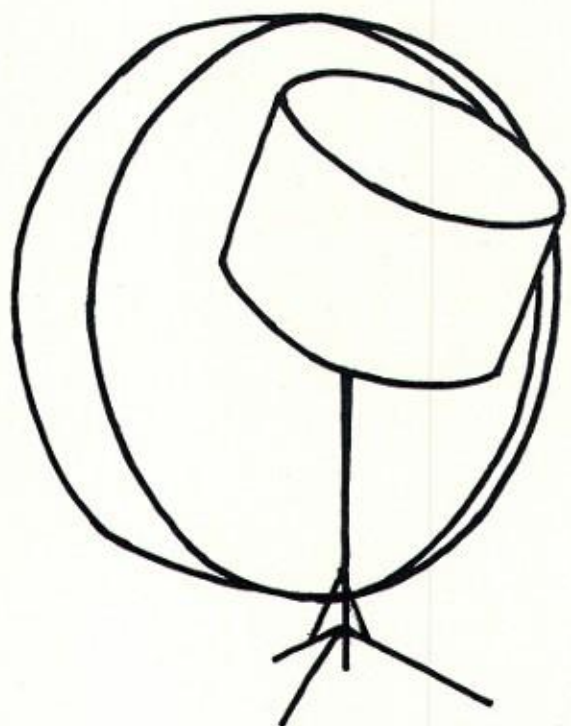

To end the year, members of the Orchestra participated in the Chautauqua Festival on June 9.

Dance Band Travels to Canada

During the 1961-62 season, the Dance Band, in one of its numerous performances, played in September at Stoney Creek High School, Stoney Creek, Ontario. The Band also played for the Homecoming Dance, the Irish Stew, a dance at Lincoln Junior High School, and the Kiwanis Club. In addition, the Dance Band provided music during the intermission at the Sophomore Amateur Show in February.

Members of the Dance Band, under the direction of Mr. Frank Smeragliuolo, held rehearsals each Monday night. In their repertoire are included "Moon Indigo," "Solitude," "The Twist," "Night Train," and "Crash Landing." The Band also sponsored a Dance Band Clinic.

J. H. S. Band Visits Washington

The Jamestown High School Band, under the direction of Mr. Charles L. Jacobson, again completed a good year, rating high in marching and in music. While contributing the necessary pomp and ceremony to our school athletic functions, at which everyone was thrilled by the precision drills and stirring marches, the band also developed into one of the finer cultural organizations of our community.

Highlighting the marching season, September to November, were two performances outside the Jamestown area. On September 23, 1961, our band was hosted by the Hamilton Tiger-Cat Band and Saltfleet District High School of Hamilton, Ontario. At this time the band performed for approximately 40,000 Canadians before the game and during half-time. On October 15, 1961, the band presented a half-time show for the Buffalo Bills in Buffalo Memorial Stadium, Buffalo, New York, which was viewed nationwide over ABC-TV. In addition to this the band presented a show at each home football game.

The High School Band also sponsored many assemblies at J.H.S. and at other schools as well. Some of these were:

the music department's annual Christmas assembly; concerts in the Junior High Schools on March 6, and April 11; two Spring Concerts, one on March 10, featuring the world-renowned trumpeter, Don Jacoby, and another on May 12. The band also invited a band from Dowagiac, Michigan, which presented a concert in our school on April 17.

The High School Band highlighted the school year with a concert tour to Washington, D. C. Band members were given the opportunity to visit such towns as Hershey and Harrisburg, Pennsylvania, and Annapolis, Maryland. In Washington, members heard the National Symphony Orchestra, and visited such landmarks as Washington's Memorial and Lincoln's Memorial, and Arlington National Cemetery, in Arlington, Virginia.

The band traveled to Amherst High School in Amherst, New York, and entered the competition festival there on May 11, 1962.

With its participation in the Memorial Day Parade on May 30, in Jamestown, the band rounded out another good year.

Journalism Club Has Weekly Publication

"Get out there and cover those beats!" "Typists!" "Hurry, or we'll never meet the Wednesday deadline!"

And so goes Journalism club which publishes the J.H.S. *Saturday Magazine* every week. The 16 club members gather interesting and informative news on everything from new teachers, exchange students, award winners, and special class functions, to recommending New Year's resolutions and unusual happenings around school.

Writing the school newspaper is not the only activity. Journalism club members enter competitions and attend conventions at Syracuse University, Columbia University, and St. Bonaventure University. The club members also study journalism, concentrating especially on feature writing and laying out a page. Journalism club plans to lay out its own page in the future, a job presently done by the local newspaper.

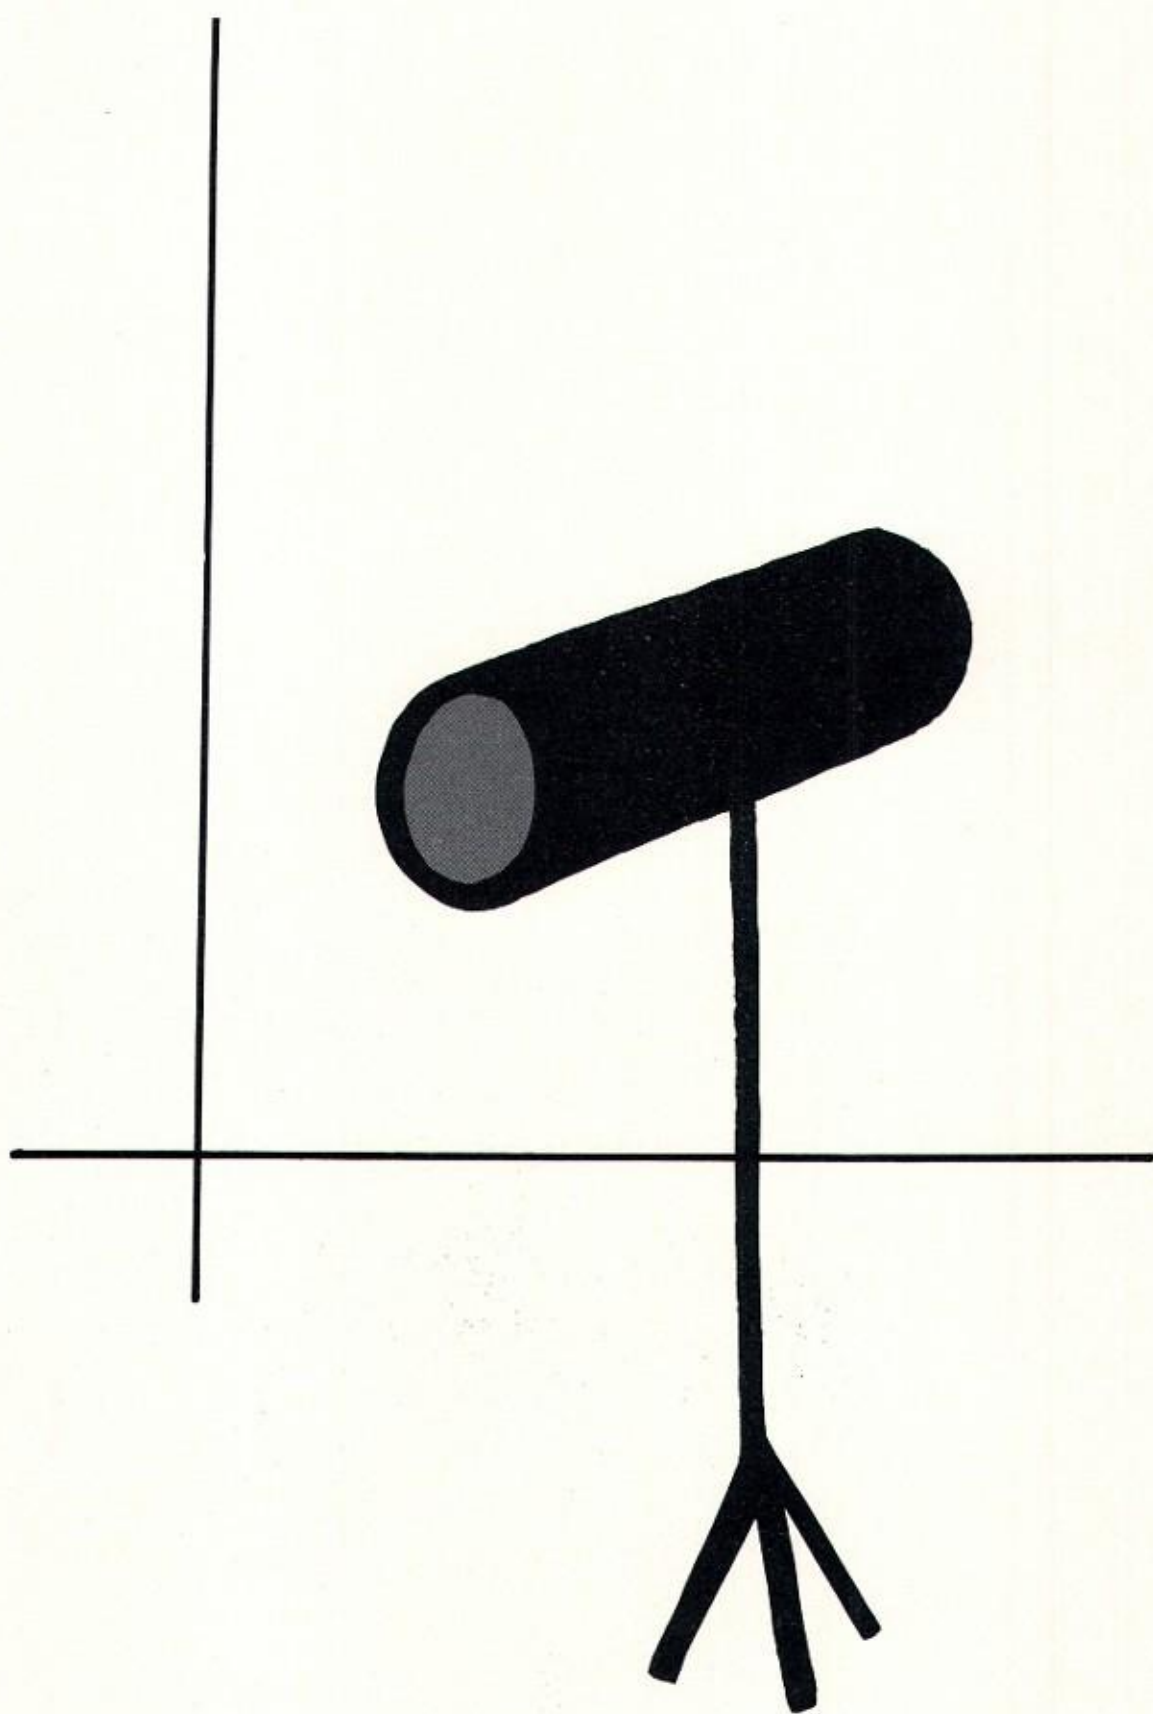

Sally Hardenburg and Barb Smith check on an item in the file of past newspapers.

Sophomores Present Talent Show

On February 3, 1962, the Sophomore Class sponsored an amateur talent show in the Merton P. Corwin auditorium. Mr. Vincent Joy, basketball coach at J.H.S. was the genial master of ceremonies. Talent in abundant measure from all three classes including one fine act from a junior high school was displayed.

The acts included were first carefully chosen and then placed in the following divisions: individual instruments, dramatic monologues, song and dance acts, singing groups, and instrumental groups. All categories were judged on the qualities of stage presence, ability, voice-carrying power, appearance, and audience appeal. Mrs. Gilbert vanBever, Mrs. Harvey Osgood, Miss Pauline Lopus, Mr. Max Robinson, and Mr. J. Ralph Carlson were in charge of judging the variety of acts.

Top honors were awarded to the "Islanders", a relatively new folk-singing group. Second prize was presented to Mary Jane Nania, who performed a tap dance number.

Under the guidance of Miss Florence Hinz, Sophomore Class Adviser, and Mrs. Ellen Schultz, the sophomore talent show was both pleasurable and financially successful.

The Islanders, Jim Ulrich, Tony Lyons, Cris Michos, and John Bonnett, sang their way to first prize at the Amateur Show.

"Cheaper by the Dozen" Is a Delightful Success

On March 24 the Junior Class of 1963 presented its play CHEAPER by the DOZEN, written by Frank Gilbrath, Jr. and Ernestine Gilbrath Cary. This is the true story of the twelve Gilbrath children and their father. Rick Hernan played the part of Mr. Gilbrath, an efficiency expert, who attempts to run his family the way he runs his factories. Mrs. Gilbrath, a kind, understanding mother, was portrayed by Ann White. There were many humorous and heart-warming situations in the play.

Others in the cast were:

Ernestine	Hilda Olson
Frank	Tom Neelen
Jackie	Phyllis Johnson
Dan	John Bonnett
Bill	Phil Dawson
Fred	Mark Cannan
Anne	Pat Colander
Lillian	Pat Peterson
Martha	Anne Austin
Mrs. Fitzgerald	Janet Myers
Dr. Burton	Bob Ludwig
Joe Scales	Bob Ouimet
Miss Brill	Karen Manning
Larry	John Hanson

Mrs. Ellen Shultz, director, was capably aided by John DeMarco, student director. Costume mistress was Carol Carnahan; props, Claudia Dracup; and make-up, Marlene Fredlund. The enjoyable characterization, the colorful scenery, and the excellent direction has made CHEAPER by the DOZEN an extremely successful event for the Junior Class.

The three main characters in the charming Gilbrath family were Pat Colander, Rick Hernan, and Ann White.

Row 1: John Bonnett, Pat Peterson and friend, Phyllis Johnson. Row 2: Karen Manning, Hilda Olson, Ann White, Pat Colander, Anne Austin, Janet Myers. Row 3: John Hanson, Mark Cannan, Rick Hernan, Phil Dawson, Tom Neelen, Bob Ouimet.

Row 1: Bobby Wyberanec, Ginny Peterson, Theresa Ventura, Merrilee Endlund. Row 2: John Dahlberg, Ron Donelson, Kathy Anderson, Dale Johnson, Len Faulk, Mary Bigelow, John Bennett. Row 3: Joanne Meiselman, Bob Karapontso, Sue Hannahs, Bruna Spiess, Carol Eaton, Penny Chadwick, Barb Bloomquist.

John Bennett, who took the difficult part of Uncle Chris, delighted the audience.

Kathy Anderson, as Katrin, accepts from Mama, Dale Johnson, a brooch which had belonged to Katrin's grandmother.

"I Remember Mama" Delights Full House

"But most of all as I look back to the house on Steiner Street, I remember Mama." Those were the words that took hold of us on November 4, 1961, as members of the class of 1962 presented "I Remember Mama" by Kathryn Forbes.

The cast was under the direction of Mrs. Ellen L. Shultz, English teacher and dramatics coach, and Vicki Hultberg, student director.

One soon became aware of the importance of Mama over her household and family. Dale Johnson gave a moving performance in the role of Mama. Equally commendable performances were given by Leonard Faulk, who played Papa, Kathy Anderson as Katrin, the would-be author of the family, and Theresa Ventura and Virginia Peterson as Kathy's sisters, Dagmar and Christine. Ronald Donelson portrayed the only boy in the family, Nels. Through Mama's unexpected visit to the hospital, the family's effort to get rid of Dagmar's cat, and Katrin's attempt at writing a story, we saw what the Hansen family was really like.

Other members of the cast included Brunhild Spiess, Aunt Sigrid; Susan Hannahs, Aunt Jennie; Carol Eaton, Aunt Trina; John Bennett, Uncle Chris; Mary Bigelow, his wife; JoAnne Meiselman, Agnes Moorehead; Alan Jones, bell boy; and John Fray, soda clerk.

DEBATE

Novice Debate Club

GOAL: TOP TEAM

Becoming a member of the top varsity debating team in two years is the major goal of the novice debaters, and in working toward this, the novices have gotten off to a fairly good start this year.

Under the direction of the new novice coach, Ronald G. Passarelli, these beginning debaters have participated in round robins and debates among themselves.

The members of this club also took part in the annual Christmas tree sale and candy sale, helping to make them both successful.

This year, for the first time, they have joined the Southern Tier Debate League, which holds debates every Thursday, preparing the students for future debating.

Several inter-scholastic tournaments have been held at Siena, Pittsford, McQuaid, and Rochester, to which the novice debaters have traveled. Although they have not as yet placed, their record shows a fine attempt. It is certain that J.H.S. can expect much of these future experienced debaters.

Membership in the Southern Tier League was opened to Jamestown this year. Every Thursday, members of the participating schools engage in one round of debate. A rewarding opportunity, the league has given experience and debate points to those who normally could not obtain them.

Even after this page goes to press, the Varsity Club has many more tournaments planned, from which they hope to add a few more trophies to the front hall.

More Trophies for the Case

Having the splendid record of 1961 to follow, the Varsity Debate Club made a fairly good showing in the tournaments.

Several new trophies for debate and speech have been added to the trophy case from such places as Hamilton College, Canisius High School, and Cleveland's St. Ignatius High School.

This year's major project, as in the past, was the Christmas tree sale. Under the direction of Jane Swanson, over 500 trees were cut, hauled, and sold by the members of the club. The project was a tremendous success as the treasury showed. The candy sale, carried on at the same time, also increased the funds of the club.

Gay Thayer and Sally Hardenburg look over a few of the many trophies kept in the front hall cases.

Charles E. Hall Debaters Discussed European Common Market

The seniors and juniors again competed in the Charles E. Hall Debate this Spring. This debate, begun in memory of the son of the late Mr. and Mrs. Frederick P. Hall, Sr., who died during his senior year at J.H.S., has been an annual event at J.H.S. for many years.

The seniors took the affirmative side and the juniors the negative of the topic: "Resolved: The United States should

join the European Common Market."

The senior team composed of David Beckman, Sally Hardenburg, and Gaylord Thayer with John Bennett as alternate was coached by Mr. Robert Letro, history teacher. The juniors—Louis Bellardo, Mark Cannan, Geoffrey Sigworth, and alternate James Bentley—were coached by Mr. Joseph Zampogna, language teacher.

Key Club Serves J. H. S. and Community

The Key Club, a service organization affiliated with the Kiwanis Club, is made up of male representatives from all school organizations. These boys strive to maintain the good relationship between school and community which has been established over the years.

Key Club's many services have made it an outstanding organization at J.H.S. The boys take tickets at all home basketball games. Besides cleaning and polishing the many plaques and trophies in the front hall, they decorated the other hallway show cases with colorful burlap. The members took charge of parking facilities for the County Teachers' meeting in the fall and also the Parents' Back-to-School Night. To complete a year of worthwhile activities, Key Club gave a spring banquet for the custodial and food service staffs.

Key Club Officers are planning the year's activities—Art Sisak, Al Phelps, Sebi Agate, Joe Anderson.

F.T.A. Members Briefed on Teaching Careers

The Merton P. Corwin Club of the Future Teachers of America at J.H.S. helps its members decide on teaching careers.

Meetings are held each month. The officers this year are: JoAnn Casel, President; Ann Muscarella, Vice-President; Marilyn Yartz, Secretary; Sandra Rosell, Treasurer; Betty Lou Faulk, Historian, and Cheryl Thompson, Parliamentarian.

On April 13, F.T.A. day was held at Fredonia. Another activity is the Teacherette Day, the day the members visit the classes of their choice in the grade schools and junior highs. One hundred seventy-three members participated in that activity on April 6.

Each year senior members are invited to the State University College at Fredonia to visit the campus. Thirty-eight seniors visited Fredonia this year.

The Future Teachers group has enjoyed many speakers this year. Informative talks on the teaching career have been given by Mr. Robert Letro, Mr. George Keeler, Miss Frances D'Angelo, and Mr. Robert Wilson.

Supper meetings were held occasionally during the year. The final meeting of the year was the May Banquet, at which the officers for next year were installed and the senior members were honored.

The F.T.A. officers must have several meetings for planning the programs. One such meeting with Mrs. Russell consists of Marilyn Yartz, *Secretary*, Betty Lou Faulk, *Historian*, Mrs. Russell, *Adviser*, JoAnn Casel, *President*, Ann Muscarella, *Vice President*, Sandy Rosell, *Treasurer*, and Cheryl Thompson, *Parliamentarian*.

Hi-Y Clubs Have

Hi-Y started the year off with officer training camp at Mission Meadows. The officers from both clubs attended for training, discussion, and making plans for the year. Later in the season, after each of the home football games, Hi-Y held a dance in the YMCA gym.

On November 4, five delegates from each club along with advisers attended the Chautauqua-Cattaraugus Area Assembly in Fredonia. Here Alpha Hi-Y's bill, to provide for white-edge markings on state highways, was passed. In December, Art Sisak, Leon Norberg, and Mr. Rood attended the State

Assembly in Albany. Here the bill was passed again and sent on to the State Legislature, where it became law. Another state activity which Hi-Y participated in May was the State Youth Conference in Buffalo.

During December the clubs went Christmas caroling with Mi-Y at the two Jamestown hospitals and held an Alumni dinner for the reunion of former Hi-Y members.

The clubs had many other programs during the year. Some of these were speakers, films, discussions, dancing, swimming, basketball, a hayride, and social get-togethers.

The Hi-Y Purpose: "... To Create, maintain and extend throughout the home, school, and community high standards of Christian character."

One project during the year was the purchase of Hi-Y jackets. Another was the selling of pop corn for a contribution to YMCA World Service. Altogether, the two clubs have achieved their goals for the year.

Mi-Y Serves and Learns

Mi-Y, a YWCA and school-sponsored organization of 25 girls, held a planning meeting with Hi-Y early in the year. They discussed purposes and ideals and planned the year's program including many recreational, educational, and service activities.

In October, the girls enjoyed a slumber party at which a hair stylist gave advice and demonstrations. The girls also held a Christmas Party, which included the Hi-Y members.

In November, the group participated in a nickel supper at which a panel of Jamestown teachers discussed college selection and preparation. Sessions of interpretive dancing and a movie concerning career opportunities were activities which interested the girls.

As one of its service projects, Mi-Y made scrap books for children's wards. At Christmas, the girls helped in the annual YWCA hanging of the greens, and caroled in the hospitals. Mi-Y also worked on the YWCA Spring Carnival and used its share of the proceeds to send delegates to the annual Y-teen summer camp and conference at Keuka.

Spanish Club Has Lively Discussions

On alternate Thursdays in room 314, Spanish Club convenes under the guidance of Mr. Jack Connor, faculty adviser. The primary purpose of this club is to aid the students in becoming better acquainted with Spanish culture and to afford the members a greater opportunity to express themselves in the foreign language.

The club has been very busy this year. At their meetings the members held discussions concerning the social and educational differences between Spain and other countries—especially our own—and the customs, religious celebrations, and other facets of Spanish life. They have listened to recordings, seen slides, and received several speakers, including Laura Perez and Gayle Hubbard.

Dick Merchant, Janet Kittle, Kathy Williams, and Terry Lanning become acquainted with some Spanish-speaking countries by using the map of South America.

Vive La France

Every other Wednesday a group of second and third year French students met in room 312 with Mr. Joseph A. Zampogna to discuss such matters as French life, language, and people, and to plan for future club events. This group formed the French Club, whose purpose it was to familiarize its members with the language and customs of the French people and bring about a better understanding of these people and their ways.

With Mr. Zampogna serving as the faculty adviser, the club sponsored a dance and a bake sale. To better acquaint the students with the French language, and to increase their fluency, various word games were played at the meetings. The members heard recordings, saw slides, and listened to several speakers.

Future Nurses Learn First Aid

If First Aid is needed, just look for the Future Nurses. The members of FNA at JHS this year, have taken a 10-week First Aid Course from Miss Gretchen Sander, gym teacher and First Aid instructor.

In this course the girls learned many things including making splints for broken limbs as well as the mouth to mouth method of artificial respiration.

This year again, the Future Nurses took over the Easter Lily Drive, in which they all dressed in bunny outfits to solicit contributions to fight cerebral palsy. The usual Junior-Senior competition in the drive was evident again this year.

FNA has proved again that it is an aid in helping students to decide on whether to make the field of nursing their careers.

Rosemary Joy, Janet Kittle, Jane Anderson, Karen Markell, and Barb Benedict learn first aid procedures through practice.

D. E. Club Participates In Area Contests

The Distributive Education Club, designed to develop future leaders for marketing and distributing, is affiliated with the national Distributive Education Clubs of America, which enables it to compete in contests sponsored by the DECA. This February the members of the D. E. Club went to Salamanca to compete with other area schools in contests on sales demonstrations, public speaking, and job interviews. As a result of these contests, Richard Lyons competed in the National Contests in New York City on March 16.

At other meetings Carol Pollaro and Judy Bellardo gave a talk and showed slides on Mexico at the fall meeting, and at the Christmas tea Miss Laura Perez, who visited JHS from Mexico for three months, was their guest.

This year, as money making projects, members sold ball point pens and sponsored the dance after the Hornell basketball game.

J-Club Adopts New Constitution

This year the members of J-Club have adopted a new constitution, dedicated toward good sportmanship, school spirit, and strong support of all school athletic functions. Under the new constitution, each year a historian will be elected whose main duty will be to complete and maintain records of all varsity sports.

Major activities for the year included a very successful pep rally, bonfire, and dance before the Warren football game, sponsored jointly with the Pep Club and with Student Council. A contest supervised by J-Club and Student Council saw Ginny Peterson elected the 1961 Football Queen and Barb Bloomquist, Vicki Hultberg, Peggy Johnson, and Bobbie Wyberanec as her attendants.

J-Club also sponsored one of the best attended dances of the year, following the Southwestern basketball game at which the first J.H.S. "Twist" contest was held. Winners were Brian Triscari and Sue Sandbloom.

In addition, this year J-Club began purchasing jackets for all members. At present nineteen members have been outfitted.

The final activity for the year was the traditional Student Faculty basketball game. A uniquely costumed faculty battled Lyke's Lovers, from homeroom 303, to win by a score of 56 to 37.

"Pep Club Burns Warren in Effigy"

Pep Club sends cards of congratulations to recognize those students receiving special honors and awards; now a few words of praise are in order for the efforts of the organization itself.

Pep Club has had a busy year, as evidenced by the following activities. The traditional casket containing an effigy of a Warren football player was made by the club and burned at the bonfire preceding the annual game of rivalry. Members made the posters seen in the corridors urging student attendance at athletic events. As their money-making project of the year, the club sold football souvenirs, small toy replicas of J.H.S. football players. Pep Club also held a special reception for the J.V. and Varsity football and basketball teams and the cheerleaders on February 20, 1962. A red and green basketball was placed in the Pep Club display window after each basketball victory, another sign of Pep Club's constant drive to encourage school spirit.

Pep Club helped to promote school spirit by the casket in the front hall for the Warren football game, and through various signs and posters.

This crew handles the lighting and the scenery designs and construction for class plays and special affairs. They are also responsible for the use of the slide projector during assemblies.

With the purpose of raising money for the installation of a new anteroom in the auditorium, they sponsored a dance held in the gymnasium during the second semester.

Music, News and You

Communications keep the people of the world informed, interested, and entertained. Station W.J.H.S is the active integral part of this vast communication network which serves the student body of Jamestown High.

Each Monday, Wednesday, and Friday, the voice of W.J.H.S. is piped into each of the homerooms in the high school. It is through these services that the students learn of meetings, entertainment, or achievements of individual students. Jamestown High's private radio station makes it possible to

Eugene DeCastro and Jim Bentley give the PA announcements every Monday, Wednesday and Friday mornings.

address and inform the entire student body. The misconception of so many of the students is that this is the Radio Club's only function. It is important to note that the music at school dances is supplied and played by Radio Club's members. The audio for school plays is also furnished by the organization.

The leaders of the Radio Club are:

<i>Vice President</i>	GEOFFREY SIGWORTH

Pretenders Gain

A more thorough knowledge of the dramatic arts is the goal of the members of Pretenders, a dramatics organization. Under the direction of Mrs. Ellen Schultz, the club's adviser, the group has explored many sides of drama.

This year, Pretenders, formerly comprised of juniors and seniors, took on a new look, welcoming for the first time members of the sophomore class. This proved a rewarding experience for all, enabling the

less experienced members to profit from the richer background of the older members.

The club has undertaken several projects this year. Chief among them was informal presentation by each class of a one-act play before the group. The performers gained dramatic experience while providing the others with an opportunity for constructive criticism. In addition to decorating the dramatics display cases, the Pretenders once more carried on the yearly tradition of cleaning the costume rooms.

SPORTS

Behind the thrilling excitement of the crack of a gun, the screaming stands, the frenzied cheerleaders, and the tense faces of the team, lies a message for every J.H.S. student. This is the knowledge of playing by the rules — not only in a game, but in life — and with it comes the lasting spirit of sportsmanship.

JUNIOR VARSITY CHEERLEADERS

Kneeling: JoAnn Sinatra, Kathy Wyberanec.
Standing: Pat Lindberg, Sue Johnson, Judy Olson.

Through victory and defeat, our cheerleaders were always ready with a smile and a snappy cheer. When our team was winning, high spirits were easy to come by, but when the tide of victory was going against us, our cheerleaders, with their immense vitality, succeeded in boosting the spirits of both the team and the spectators.

This year the varsity cheerleading squad consisted of Merrilee Endlund, Pat Peterson, Sylvia Renos, Sue Stewart, Janis Tinkham, and Bobbie Wyberanec. The Junior varsity cheerleaders were Sue Johnson, Pat Lindberg, Judy Olson, JoAnn Sinatra, and Kathy Wyberanec.

Cheerleading tryouts for the next year were held in the spring. The 1962-63 cheerleaders are Sue Johnson, Pat Lindberg, Judy Olson, Pat Peterson, Janis Tinkham, and Kathy Wyberanec.

Each Monday after school finds these girls practicing under the instruction of Miss Gretchen Sander. One of the valuable experiences the cheerleaders gained was their attendance at the cheerleading clinic at Silver Creek, New York. The Varsity cheerleaders cheered at the football games, while the J V's sold programs and tickets.

They deserve much credit, for they are the symbol of the tremendous school spirit at J.H.S.

Interest in GAA Grows

The Girls' Athletic Association has made great strides, in this its second year, in promoting girls' sports at J.H.S.

This year 26 homerooms were represented at the GAA's monthly meetings. The officers and representatives planned the after-school activities in which the members would participate. Some of the sports chosen were table tennis, badminton, archery, cageball, tumbling and apparatus, basketball, track, volleyball, and new this year, fencing.

For the second year in a row, bowling has held the position of favorite with the girls, but volleyball was raised in popularity. A good cageball team journeyed to Frewsburg to compete in the cageball playday there. In the soccer playday in Falconer, the GAA team tied for first place. The GAA was hostess for track and volleyball playdays at J.H.S. this year.

The climax of the GAA was the giving of awards at the formal banquet. Seventy-five hard-earned awards went to deserving girls.

Raiders Again Win Bi-County Title

J.H.S. batsman singles during Lake Shore League clash.

Although the Red Raiders had a "losing" season, they again won the Bi-County championship by defeating the Olean Huskies, 4-0.

In that all-important game, sophomore hurler, Bill Sarro, got the win on a well-pitched game. Three J.H.S. hitters, Tim Mahoney, Dick Domenico, and Brian Warner, had three hits apiece.

However, the 1961 campaign came to a close with a loss to the Plainsmen from Frontier Central in the Sectionals. The Raiders could squeeze only four hits in the 8-2 decision.

In Lake Shore League competition, Joe Montagna, Bob Conroe, Dick Domenico, and George Banks all batted over .300 to place among the top twelve hitters in the league. Gus Noni was a leading hurler in the league "fanning" 36 and walking only 9.

1961 Trackmen Start Fast

The 1961 J.H.S. track team rolled to two quick wins over Northern Area and Warren before losing six straight, including a fourth place in the County Meet and a last in the Sectionals at Kenmore.

In the 57-52 victory over Northern Area, the Raiders took 9 firsts including Jack Thompson's double win in the 100 and 220 yard dashes and John Allen's double in the 440 and the high jump.

In the County Meet, Jack Thompson, John Allen, and Bill Sprigg had victories in the 220, 440 and 880 yard dashes, respectively.

Head football coach, Walter Colburn, ended his 12 years as a coach at J.H.S. with one of his toughest schedules. Despite a "losing" season, the Raiders won two key games on their schedule.

Probably the best win of the season and possibly of Colburn's career was the 19-7 victory over Aquinas High School of Rochester. Fullback Tim Mahoney scored twice and Steve Pachol once in this big upset.

In the traditional Warren game, Dick D'Angelo and Russ Carcione, a junior, scored touchdowns in a 12-7 victory over the Dragons. D'Angelo's was a 54 punt-return and Carcione's an 18 yard run.

At the annual football banquet, Dave Pollaro, senior tackle, was awarded the Richard's Outstanding Player Award. He was selected by his teammates.

Steve Pachol and Dave Lind stop a Warren opponent.

Steve Pachol and Jim Okesson take down an opponent.

Close Games Dot Year

Although the team had an under par year the players gained a lot of experience from it. The team consisted of 7 Juniors and 3 Seniors; next year, the team will be experienced in battle.

Probably the most exciting game of the year was the game with Falconer on January 12, 1962. In that game a double overtime period had to be played. In the end, though, we won by a score of 61 to 60.

Our Lake Shore League record was 4 wins and 6 losses. In the Lake Shore League we placed 3 players in the top ten scorers. They were: Steve Pachol, Jim Anderson, and Rocky Morgan.

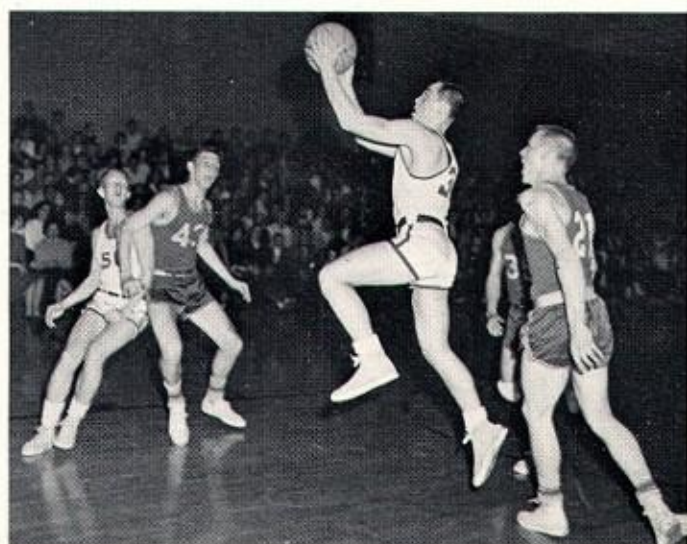

For the year, Steve Pachol was high scorer on the team with 251 points and a game high of 29.

Sullivan-- Captain and High Scorer

This year was not a particularly productive one in the way of victories for the Jamestown High Swim Team, but because of a new program recently instituted, the team can look forward to better records in the coming years. This new program entitles freshmen candidates for the team to work out with the varsity team. In this way more experience can be gained for future years.

This year the team won one meet out of eight, but some fine individual performances highlighted the season.

The team, under Coach Dave Swanson, practiced each day in the YMCA swimming pool.

Pete Sullivan was elected captain of the team for the year. Pete was also the team's high scorer, gathering 62 points during the season.

The J.H.S. Bowling Team became the champions of Chautauqua County in the County Tournament in March. With a final total of 2576, they won by a mere 2 pins. Seven high schools competed in the event.

The team is chosen from the highest average bowlers in the J.H.S. league. At the time this book went to press, Jerry Greenstein's team was leading with $40\frac{1}{2}$ wins and $13\frac{1}{2}$ losses. Jim Russo's team was a close second. The high game was Tony Cangiolosi's 219. The high two game series was a 417 bowled by Ralph Connelly. Ralph also had the high average of 171.

The Jamestown High School Alumni Association welcomes this year's graduates into its membership, and invites them to the 94th annual reunion to be held in Merton P. Corwin Auditorium at 7:30 p.m., Tuesday, June 26, commencement night.

At that time, special recognition is given to the graduates and also to the classes that graduated from Jamestown High School, five, ten, fifteen, twenty-five, forty and fifty years ago.

The graduates are represented on the program by the class president, and by the singing of the class song by all members who are present.

The Alumni Association is a definite link with activities in Jamestown High School and has as its chief purpose the preservation of the treasured traditions and highest aims and ideals of J.H.S.

Organized in 1945, this club through its membership fee of \$10 each, provides a fund for a gift of \$100 awarded each year to the graduating senior chosen by students and faculty as the one who has contributed most to the high school and to his own development. Last year's winner was Philip S. Jones, the class president.

Although the organization began with 100 prominent Alumni, its membership is now open to all J.H.S. graduates who wish to contribute the \$10 membership fee to help perpetuate the fund.
